MAY NEWSLETTER

Dear Parents,

May is a busy month for us. We are completing our State testing. Thank you for your support for this, and much thanks to the PTA for the treats they prepared to help the students stay focused. Our results should be available in August as usual.

The first week of May is Teacher Appreciation Week. Thanks to all our teachers for the great work they have done this year, and for what they have given to serve our students. It's through their day to day efforts, each day of the year, that they make a difference in the lives of children and create a better world for all of us. I know you can remember your favorite teachers very well.

There many important dates on the calendar this month. Please keep it handy to see what is going on. Two important ones are: the Open House Night on Thursday May 26th and the PTA Spring Dance –“Totally 80's” May 14th in the Multi-Purpose Room. The Open house will start at 6:30 in the Multi Purpose Room. There will be Music from our school band, Science fair awards and a short PowerPoint presentation. You will be invited to classrooms throughout the school from 7 to 8 pm as your interest allows. Teachers will be on hand to talk about their programs. We will also talk about the Middle School plans for grades 6 to 8 on the upper level for August opening.

Reminder: several grades are doing Field trips this month.

As always, please call or drop by if you have concerns.

Sincerely,

J. Szot, Principal
